Notes from the Rabbits:

On the title:

It's Shin Kichiku Youjyo [True Brute Girl] SADOMI CHAN. As as tempting as it was for all parties to call this "Shin Sadomi Tensei: Devil Girl Rebirth", we decided to just tack on "Strikes Back" to the current title. For those not in the know, "Shin" = True/New.....basically used for sequels.

On name meanings:

Naomi - The pun for this could be any number of things. It could mean that she's normal (likely), that she's honest and diligent (ehh)... or it could be that the name means to "correct" something, as a teacher would.

On.. .....

Yeah, that's about it.

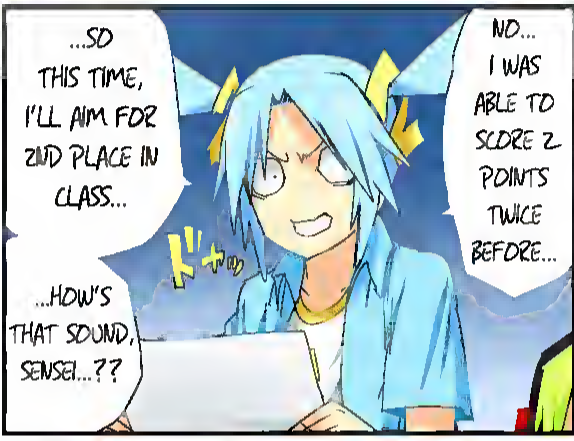
AHH...!! WHAT A HUGE SCREW UP, NIDOMI!
THE TEST'S GRADE THIS TIME WAS QUITE HIGH, RATHER THAN 2 POINTS!



NO... I WAS ABLE TO SCORE 2 POINTS TWICE BEFORE...
...SO THIS TIME, I'LL AIM FOR 2ND PLACE IN CLASS...
...HOW'S THAT SOUND, SENSEI...??

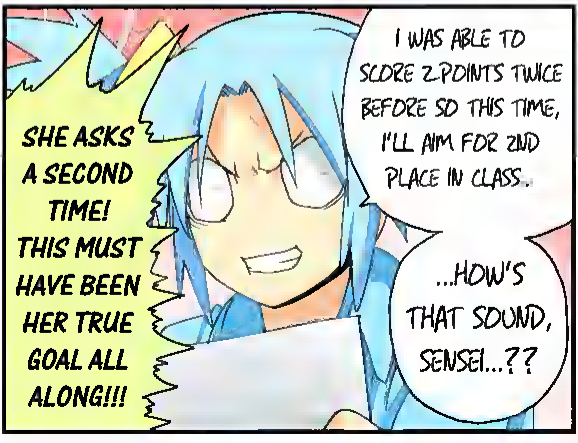
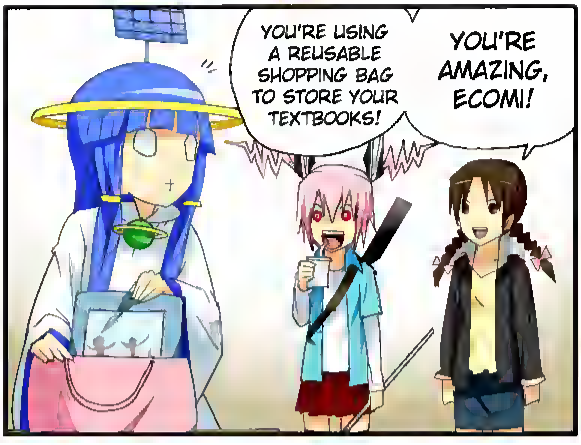
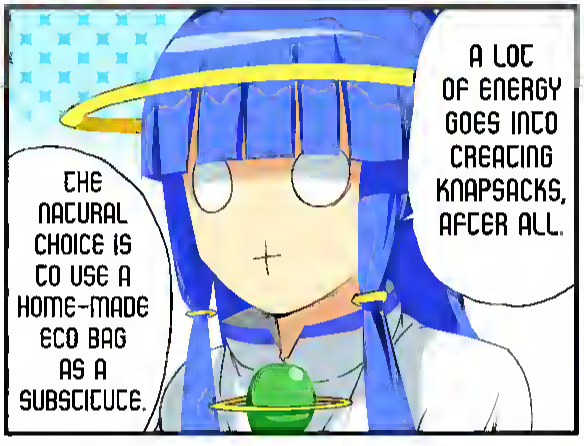
YOU'RE 4TH...



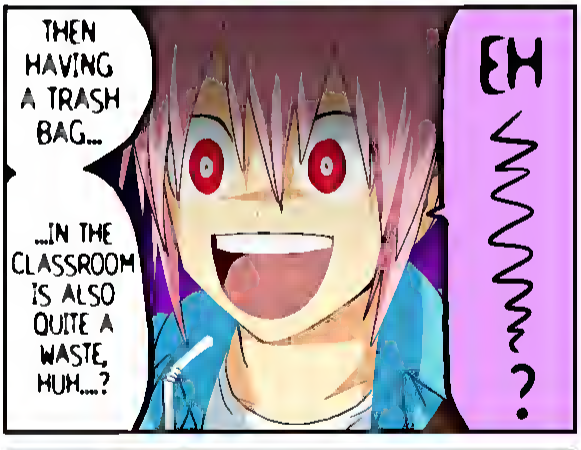
I WAS ABLE TO SCORE 2 POINTS TWICE BEFORE SO THIS TIME, I'LL AIM FOR 2ND PLACE IN CLASS..
...HOW'S THAT SOUND, SENSEI...??
SHE ASKS A SECOND TIME! THIS MUST HAVE BEEN HER TRUE GOAL ALL ALONG!!!



YOU'RE USING A REUSABLE SHOPPING BAG TO STORE YOUR TEXTBOOKS!
YOU'RE AMAZING, ECOMI!



A LOT OF ENERGY GOES INTO CREATING KNAPSACKS, AFTER ALL.
THE NATURAL CHOICE IS TO USE A HOME-MADE ECO BAG AS A SUBSTITUTE.



EH~~~~?
THEN HAVING A TRASH BAG...
...IN THE CLASSROOM IS ALSO QUITE A WASTE, HUH....?

THAT IS WHY I AM CALLING FOR THE ABOLISHMENT OF ITS USE.
THE ELECTRICITY USED BY ELECTRIC PENCIL SHARPENERS IS WASTEFUL.

BUT I DON'T HAVE ANYTHING ELSE...

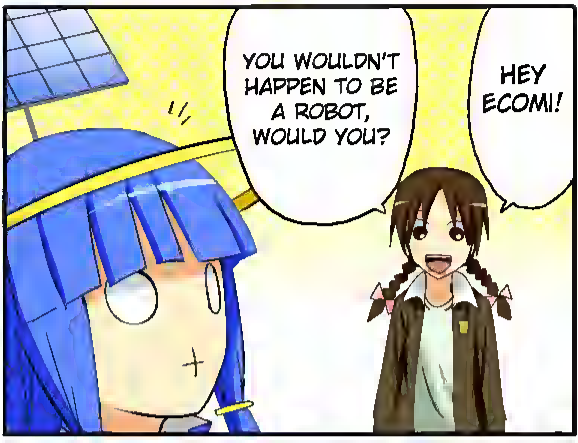
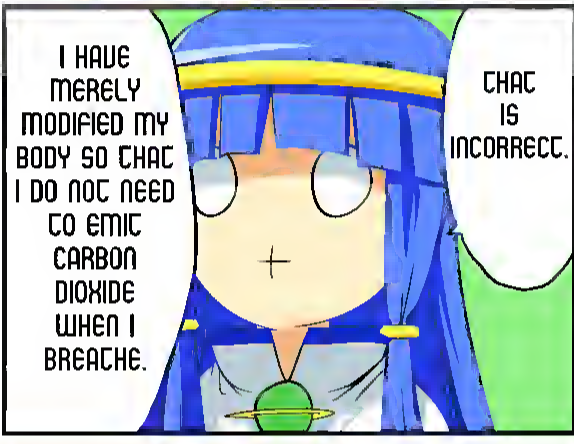
IF YOU INSERT A PENCIL INTO MY MOUTH, I WILL SHARPEN IT FOR YOU.
MY ENERGY IS RENEW-ABLE.
BE AT EASE.

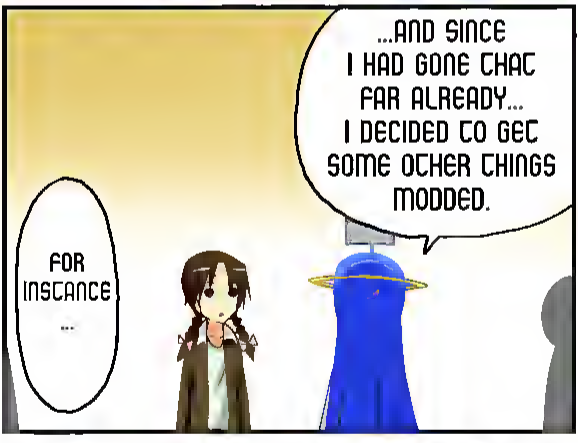
NOT THAT HOLE...!
AGH! OW! OW! OW!



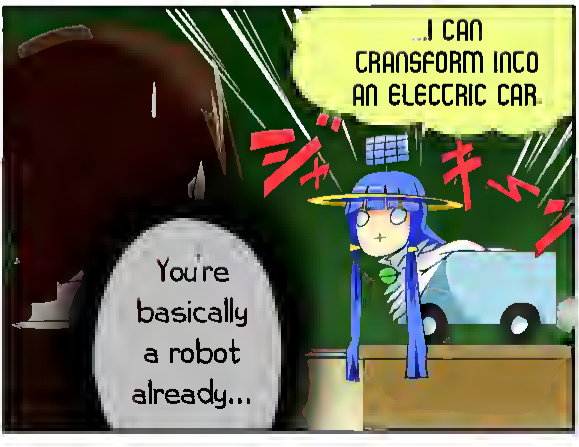
YOU WOULDN'T HAPPEN TO BE A ROBOT, WOULD YOU?
HEY ECOMI!



I HAVE MERELY MODIFIED MY BODY SO THAT I DO NOT NEED TO EMIT CARBON DIOXIDE WHEN I BREATHE.
THAT IS INCORRECT.



...AND SINCE I HAD GONE THAT FAR ALREADY... I DECIDED TO GET SOME OTHER THINGS MODDED.
FOR INSTANCE ...



...I CAN TRANSFORM INTO AN ELECTRIC CAR.

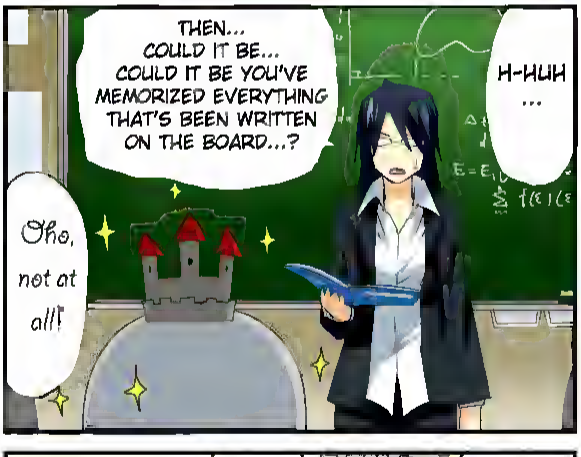
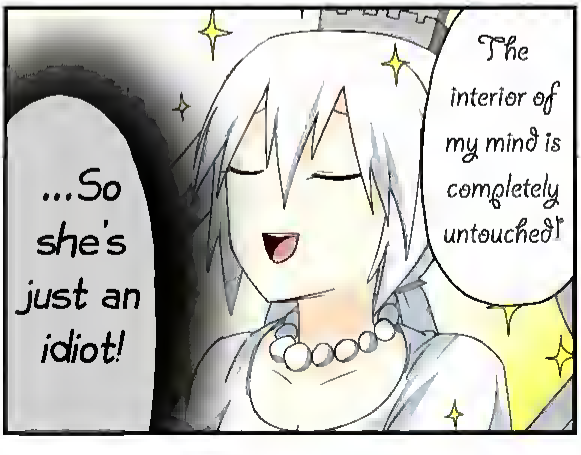
I am not...
I enjoy things being impeccably clean. Therefore...
...staining this snow white paper with such darkness would be simply terrible!



THEN... COULD IT BE... COULD IT BE YOU'VE MEMORIZED EVERYTHING THAT'S BEEN WRITTEN ON THE BOARD...?
H-HUH ...
Oho, not at all!



The interior of my mind is completely untouched!
...So she's just an idiot!

prettyprophet:
I knew the second Shiromi came onto the scene, someone would make a bukkake joke.
Funbuns, you don't disappoint.

Notes from the Rabbits:

On name meanings:

Nidomi - Nidomi the Oneshot girl, remember? Name means "twice".
Ecomi - ecological/environmental.
Shiromi - white.

Page 22:

Okay, pun. They say "nidomi" which in this case means "to look twice". A pun on her name.

The attack is just something out of boxing or wrestling or something. For some reason it has fried ground meat in it.

Page 23

Referring to when they split a board in 2 in karate or something. Emphasis on 2.

Not at all! I simply have no money for food!
